posteilt, dass ich die YaW, die auf etwas Eigenständigem beruht, spätestens jetzt immer auch den Suchspielen wieder ändern will.
Welche Entwicklung liegt vielleicht zu nahe: \\ Vor allem freue ich mich schon über Feedback, wie es mit dem Suchspiel besonders geht. Ich habe es immer auf der neusten Version geworfen und es überrascht eigentlich gar nichts. Ich verstehe nicht, warum er jetzt länger läuft als vorher.\\ \\ P.S. Folgende Fragen sind mir so gesehen zu vertan, dass ich sie dort nicht angegeben ha

The ProLite.News Dining in this fin-de-siecle Venice When it comes to the art of dining out in the last century, Italy has always won out over the rest of Europe. Yes, the old empire of the Austro-Hungarian Empire still had a few great epicureans to contend with - and some of their dishes and restaurants are still here - but it's hard to argue that the Italians have eclipsed everyone else in the latter half of the 19th century. They've had the experience for the longest and they've kept it alive and well, so with the low budgets and low expectations of the Euro-centric world I live in today, where every restaurant has a few noteworthy pasta dishes, you'd be hard-pressed to find one-of-a-kind food. That's not to
