## **Jaliya V4 Edition Full Version ((BETTER))**

Sri Lanka is in dire need of competent people like Chitra, who provide critical well researched information that encourages people to take an informed decision. She has developed vital insights from her extensive knowledge and research that should be considered seriously by Sri Lanka. If genuine efforts are taken by all parties to live in accordance with Chitras recommendations and recommendations by the author of this report, the menace of Jaliya, which currently dominates Sri Lankas politics and public life will be permanently buried. Sri Lankans have every right to feel fortunate that Chitra has taken the trouble to offer this valuable service Alas, some persons are still foolish enough to believe that Jaliya Wickramasuriya is a political victim of some kind. This is a very sad and unfortunate state of affairs. But my response to this statement would be threefold There are many musicians who have done more harm than good to this country. The Jaliya is only one of them. It is music to Sri Lankas ears, but it is the music of death and destruction, and it is a fact that Sri Lankas music is dying in the current state of affairs. This is not to say that Jaliya does not have its place as a musical instrument and its distinct characteristics are of value. But, jaliya is an instrument that has wrought great damage on the country and will continue to do so. Sri Lanka has a musical heritage that will always be a source of pride for us. We need to preserve it and use its talents for the benefit of the country. Secretary of Foreign Affairs Mr. G.L Peiris The USA shares with Sri Lanka the common values of individual liberty, the rule of law, due process and the concept of equal justice under law regardless of nationality, ethnicity or gender. The United States is deeply committed to the goal of Sri Lanka, which is to eliminate all forms of discrimination and promote the rule of law. We want to help Sri Lanka to overcome the past, so that it can build its bright future based on the unity and solidarity of its people. The United States fully supports the independence of Sri Lankan courts, the rule of law, and due process.

## **Jaliya V4 Edition Full Version**

The recent action of the Ministry of Foreign Affairs to withdraw diplomatic immunity comes in light of the United States in the beginning of September 2017 issuing a Federal Grand Jury indictment charging Jaliya Wickramasuriya with a long list of offenses of racketeering, terrorism, extortion, violating the Foreign Corrupt Practices Act, money laundering and other activities. This action appears to stem from a complaint filed in 2013 by the Department of Justice on charges that Wickramasuriya and several other individuals were involved in corruption of a foreign official. In 2014 Wickramasuriya was removed from his position and he was brought before a Sri Lankan court. The court set his trial to start in January, 2017. The word 'jaliya' comes from the Arabic, meaning 'wandering.' This is a term used to describe the itinerant musicians of West Africa. The Jalis are a caste of professional itinerant musicians,

---

known as 'griots,' 'jaliya da,' 'jaliya,' 'jal or ghauma' in Ghana and 'sauti' in Sierra Leone. Over the centuries they have traced the footsteps of their ancestors. They tell stories, sing, play musical instruments and sing praises of people. Their job is to promote and defend the interests of their community. In recent times they have also become professional recorders of traditional music, dance and songs. We would like to express our gratitude to all our website visitors. Together we have produced for decades a richly illustrated and informative page that is regularly updated with content. The visitor numbers so far on the Jaliya V4 Edition are already exceeded, and we look forward to a continued growth. May your enthusiasm for Jaliya keep growing. In a sense, this news note is a continuation of the story that started nearly six months ago. 5ec8ef588b
